PROFESSIONAL SUMMARY

Results-driven graphic designer with 3+ years of hands-on experience crafting clear, user-centered visual solutions. Works at the intersection of visual design and UI/UX, ensuring aesthetics strategically support usability and communication. Known for a strong problem-solving mindset and the ability to translate complex ideas and brand values into intuitive, high-impact visual experiences. Continuously learning and motivated to create designs that communicate intent before they impress.

KEY ACHIEVEMENTS

- Served over 80 clients across different industries.
- Taught 60+ individuals core graphic design skills.
- Increased online engagement by up to 30% through visual design solutions.
- Supported marketing campaigns that generated 500+ leads.
- Earned over \$80 on freelance platforms through client-based projects.
